## GOOD TO KNOW:

**SAFE + SOUND**  
Our dressers come with an anti-tip kit. We design furniture with families in mind, so it's built to last. All beds and dressers shown have child-safe finishes.

**BUNK BASICS\***  
Bunk beds require a bunkie board (sold separately). To ensure the safe use of our product, we ask that you observe the following safety warnings:

- Do not allow a child under 6 years of age to use the upper bunk
- Limit top bunk use to one person
- Full size bed is designed to use a mattress 74-75" long x 52.5-53.5" wide
- Twin size bed is designed to use a mattress 74-75" long x 37.5-38.5" wide
- Top bunk requires a mattress that is at least 5" below the top of the guardrail

\*Applies to all bunk & loft beds

## GOOD TO KNOW:

**SAFE + SOUND**  
Our dressers come with an anti-tip kit. We design furniture with families in mind, so it's built to last. All beds and dressers shown have child-safe finishes.

**BUNK BASICS\***  
Bunk beds require a bunkie board (sold separately). To ensure the safe use of our product, we ask that you observe the following safety warnings:

- Do not allow a child under 6 years of age to use the upper bunk
- Limit top bunk use to one person
- Full size bed is designed to use a mattress 74-75" long x 52.5-53.5" wide
- Twin size bed is designed to use a mattress 74-75" long x 37.5-38.5" wide
- Top bunk requires a mattress that is at least 5" below the top of the guardrail

\*Applies to all bunk & loft beds
